Designated Teacher Newsletter

Welcome to the AfC Virtual School's summer term newsletter 2019

The Virtual School is here to support Designated Teachers (DTs) and their colleagues with information and advice, training and support when you need it.

For any enquiries about previously looked-after children, your first point of contact is Emma Dyer on 0208 831 6037, email: Emma.dyer@achievingforchildren.org.uk

From September your leads for each area for children looked-after will be: Deputy Head Paul Chapman (Richmond); Asst. Head Clare Farley (Kingston); and Asst. Head Christina Buckley (RBWM).

Dates for your diary

We are excited to announce that AfC Virtual School will be holding two DT conferences in September 2019. DTs are welcome to join either of these one-day conferences. The first, on Tuesday 17 September, will be particularly aimed at new DTs and cover statistical duties; PEPs, PPP; SMART targets; attendance; exclusions; reports and supporting staff. The second conference on 27 September will be suitable for both new and experienced DTs and the focus of the day will be Attachment friendly schools. Sessions will include ethos, policies, training of staff; trauma; restorative justice; emotion coaching and supporting foster carers. We are still waiting to confirm venues but please contact Sam Connor on 0208 831 6037 or sam.connor@achievingforchildren.org.uk to reserve a place.

We also hope to see you at our termly DT forum events. The dates for next term are as follows:

Richmond: Thursday 10 October 2019

Kingston: Thursday 7 November 2019

RBWM: Wednesday 4 December 2019.

The adopter hub

We are offering a free subscription to DTs working in AfC schools to the [Adopter Hub](#), a web-based platform run by PACT that offers information and resources for DTs, adoptive parents and Special Guardians. This site includes a confidential, secure and thoroughly-monitored peer-support forum for adoptive parents.

If you are interested in joining to take advantage of a range of resources, or know of adoptive parents who would benefit from this resource, please let us know by contacting emma.dyer@achievingforchildren.org.uk
